

Laudamotion Virtual

May 2018

by Laudamotion Virtual Executive Department

Editorial

Howdy Pilots!

The first month is done! In this first month of operations we can present outstanding statistics. I can for sure say, on behalf of the whole staff team, we are proud of what we made. Every start of a VA is rough but we made it. Not much more I could say so let's have a look on the monthly statistics.

- Benjamin C. Krebs | CEO / WM

Statistics

Month: May

Year: 2018

Total Pilots: 44

Active Pilots: 33

Flights this Month: 95

Hours this Month: 246h 25min

Miles flown this Month: 78.934nm

Passengers transported this Month: 10.830

Cargo transported this Month: 273.674kg

Future Plans

As the real life Laudamotion is continuously expanding, we're expanding as well. We have a lot of new VA Partners and projects coming up in the following month. We are also looking for new staff members, to help us completing our projects successful. If you want to join our team fill out the application form on our website.
